

**INSTRUCTIONS:**

Allow adhesive to set for 24-48 hours. Add small amounts of water until you get a smooth peanut butter or toothpaste consistency. Apply grout on top of design. Push grout into small spaces with your fingers or craft stick. Let mixture set for about 5-10 minutes, then wipe excess off with slightly damp sponge or cloth. Continue until all grout is removed from each tile. Once dry, polish piece with a soft cloth. DO NOT put excess grout down the sink!

**WARNING:**

Contains Portland Cement. Wear rubber gloves and eye protection. Avoid eye contact or prolonged skin contact. Wash thoroughly after handling. If eye contact occurs, flush with water for 15 minutes. Consult physician immediately. Do Not Breathe Dust! This product contains free Silica which may cause Cancer or delayed lung injury (Silicosis). Wear approved respirator in dusty un-ventilated areas.
